## FRAZER REID CABINETMAKERS

The Create in Fife Fund was instrumental in helping Frazer to create his cabinet making business where he was specialising in wooden

surf boards. Frazer used the grant and a loan from the PTYBS to invest in tooling and equipment to get the project off the ground.

## CLYDEBUILT PUPPET THEATRE

The Clydebuilt Puppet Theatre Ltd is Scotland's leading puppet

company and were looking to improve and expand their operation with a new promotional video. And thanks to grant funding from the Create in Fife Fund, they were able to produce not only one film but several short pieces to promote 4 touring productions.
